Looking Through the Kaleidoscope

A Guide to Best Practice in Determining Applications for Refugee Status based on Sexual Orientation or Gender Identity Grounds.

To support Kaleidoscope Australia Human Rights Foundation in its commitment to promoting and protecting the human rights of lesbian, gay, bisexual, transgender and intersex people, Kaleidoscope Australia Human Rights Foundation and K&L Gates have collaborated in the development of this Best Practice Guide. The Best Practice Guide aims to provide reliable information, as well as assist governments to properly and fairly assess applications for refugee status made on sexual orientation or gender identity grounds.
